MEMORANDUM TO: **Federal Agency Safety and Health Designees**

FROM: **John F. Plummer, Director**  
**Office of Federal Agency Programs**

SUBJECT: **Fortieth Annual Federal Safety and Health Conference**

The Federal Advisory Council on Occupational Safety and Health (FACOSH) is conducting its Fortieth Annual Federal Safety and Health Conference on October 28-30, 1985. The Conference will be held in conjunction with the National Safety Congress and Exposition in New Orleans, Louisiana. As soon as the program for the Conference is finalized we will send you a copy.

This Conference provides an excellent forum to present current information on Federal workers occupational safety and health programs. It also provides an opportunity to share recently developed Occupational Safety and Health Administration (OSHA) policy and program initiatives designed to preserve and protect the lives of the Nation's 3 million Federal workers.

I invite you and your agency's safety and health professionals to participate in this year's Conference. We are particularly interested in having those individuals from your agency who are field council officers attend the special workshop to be held for them on October 30.

The Conference will convene in the Governor's Ballroom, Ramada Hotel, 1732 Canal Street. OSHA has reserved a block of rooms in the Ramada at a rate of \$45 per day (no tax) for single or double occupancy. Reservations should be made by calling the hotel directly on 1-800-535-6652 or if you are inside the Louisiana area 1-800-435-6652. Please inform them that you will be attending the Federal Safety and Health Conference.

Your agency's support of the Federal occupational safety and health program is appreciated.
